-- Liberal Political Science professor Dr. Shafiq Al-Ghabra
commented in moderate Arabic daily Al-Rai Al-Aam under the title
"Korean Nuclear Detonation" (10/16):

"While countries possessing nuclear capabilities and those seeking
it continue to struggle over the right to possess them, the world
will witness a period of sanctions and severe conflict. We can say
the Indian and Pakistani nuclear weapons page has been turned simply
as a result of time. However, the Iranian and Korean pages remain
wide open."
